SUBJECT: Determination Regarding Attendance by NASA Employees at the Women in Aerospace Breakfast, May 5, 2006

On May 5, 2006, Women in Aerospace (WIA) will host "Breakfast with Dr. Michael Griffin, NASA Administrator," at the Capitol Hill Club in Washington, DC. WIA is dedicated to expanding women's opportunities for leadership and increasing their visibility in the aerospace community. The event will be widely attended by approximately 150 people from other Federal Agencies, members of Congress, academia and industry representatives. The estimated cost of the breakfast which includes food and beverage is between \$45 and \$55 per person. The event will permit industry representatives to meet with employees of the executive and legislative branches of government to hear a speech from Dr. Michael Griffin. Dr. Griffin will talk about the NASA's contribution to future Space explorations.

I find that this event meets the requirements of a "widely attended gathering" as defined in 5 CFR § 2635.204(g). I further determine that there is Agency interest in having NASA personnel attend the event. Accordingly, NASA employees whose duties do not substantially affect WIA, may accept an invitation for free attendance to the breakfast for themselves and their spouses or guests.

NASA employees whose duties may substantially affect WIA, such as by way of procurement duties, should seek an individual determination pursuant to 5 CFR § 2635.204(g)(3)(i) regarding participation in this event from their local ethics counselor.

R. Andrew Falcon
